

Freedom Collection Books on ScienceDirect

A flexible, affordable option for essential eBook content

How Freedom Collection Books Works

Freedom Collection Books works for you

The 2019 Books Freedom Collection includes over 5,700 titles on ScienceDirect. It includes the Frontlist at a deep discount plus four years of backlist titles.

As you renew your subscription, you keep your subscribed content while adding the new Frontlist titles in subsequent years.

Should you decide to discontinue the subscription service, you have the option of choosing titles to keep in perpetuity, up to the value of the subscription price (across all subscription years). Selections can be made across all years of content delivered.

2019 Freedom Collection Books Content

Libraries who choose to renew and continue their Freedom Collection Books subscription each year build a critical mass of respected content. We offer content spanning all subject collections to meet your institution's needs.
